Much of what we see, riots, DS actors, MSM, is an OVERT attack on the President and Our Country. Part of the DS/Dems attempt to "take the election".
The COVERT coup plans have continued non stop since 2016.
The DS has/is trying to compromise former/current military and federal

Law Enforcement.
Most troubling, and has been recently confirmed, active, retired, and family members/associates of the US Secret Service have been targeted and illegally surveiled with one purpose in mind, TO GET AS CLOSE TO THE PRESIDENT AS POSSIBLE.

Referred to as "Credit Check or Credit Score". 'How's your credit? Would be asking for an progress report." In reality it means OAC, on approved credit. Those initials have a more sinister meaning to them, "Our American Cousin".🙏

These efforts have been approved and directed by DS actors at the very top. It can be assumed this was not done for any good reasons.
I can provide the details and the methods used, as well as those compromised,or who were attempted, to be compromised, to the proper

authorities. I cannot safely go to, because of their past actions, the people in the Secret Service I was in contact with prior.
We are praying/confident the Secret Service is aware of this and will help in any way we can. 🙏🙏🙏

bLM/antifa supporters who can't "fight in the streets" are being encouraged to "fight in place". Supporters who work in government,I.e., Social Security, MVA, insurance, benefits, school, are being encouraged to find people based on race or political affiliation and deny or

block access to services. Existing accounts will suddenly "have problems" waiting on the phone forever only to be disconnected over and over, anything they can do to fight "white privilege". Senior Citizens are already feeling this

Maryland, New Jersey, and other states, are drastically altering their educational model for the upcoming school year and on. They not only want in-person heavily controlled School. They want online "educational packages".

They want their cake and eat it too. They not only want to keep their salaries, their Union, and their perks, now they want to farm out the education itself to third parties. So they can make more money for even less work.

They want to be the managers in the middle decreasing what

Biden and Kamala or a deliberate distraction. That's why they chose someone so easy to attack they want everyone focused on attacking them. Look here not over there. If everyone is busy attacking them they won't see the Dems steal every other seat they can.

They know they can't beat President Trump. They want control of both houses. If they get it, it will be impeachment day one.
